White Coat Ceremony
Sunday, August 7, 2022 3:00pm | Reception to Follow

Dear Entering Class of 2022,

In the next mailing, you will meet your committee chairs for the White Coat Ceremony! The White Coat Ceremony, pioneered by the University of Chicago, celebrates your monumental achievement and your noble decision to become a physician. You will have the pleasure of hearing from leaders in medicine, with whom you will share many more milestones at the Pritzker School of Medicine. You will also don your first White Coat and recite the Hippocratic Oath in the presence of your family, friends, and colleagues, reinforcing your commitment to this honorable profession. The ceremony is a momentous occasion in your medical training, so we encourage you to invite everyone who has been an important part of your journey.

The White Coat Ceremony will be held at Rockefeller Memorial Chapel on the campus of The University of Chicago on Sunday, August 7, 2022 at 3pm. The University of Chicago Medical and Biological Sciences Alumni Association will host a reception after the ceremony.

Included below is a survey link for ordering your white coat with a sizing instruction guide attached. Please complete this survey at https://tinyurl.com/psomwhitecoat2022 as soon as possible; the survey will close on June 3.

We are happy to share in all the excitement about starting the next chapter of your medical training and we want to make it as seamless as possible. As always, please reach out with any questions.

Your 2022 Orientation Co-Chairs,

AA
