

Summer Research 2023—“Intent to Participate”

DUE February 2

Both students and mentors who wish to be considered for participation must complete this form as part of the application process. The form should be emailed as a PDF, completed to Candi Gard cgard@bsd.uchicago.edu no later than February 2, 2023.

STUDENT SECTION:

My signature below indicates that I have submitted my application online and that I intend to participate in the Summer Research Program and adhere to its requirements as described in the *2023 SRP Guidelines and Requirements document*. My full participation in this program will culminate in a presentation at the Research Forum as well as a stipend provided in two payments.

Some of the responsibilities associated with this program include participating in the Spring elective, reporting to the lab/mentor by Monday June 12, 2023 to begin the project and attend the activities identified in the *2022-2023 SRP Guidelines and Requirements booklet*. This includes the Summer Research Program seminars as well as the Cluster Group meetings. (Any date conflicts are noted in my application for consideration.)

All assignments will need to be uploaded on time and validated by my mentor. Assignments will need to be validated prior to the receipt of stipend payments.

I will not hold a job during the 11 weeks that I am expected to devote to my project (Jun. 12th – Aug. 25th)

I will work closely with my mentor on my final paper and presentation. I will present my research project on the date and time that will be assigned to me (either August 23rd or August 24^h). I will also attend the Concluding Assembly on August 25th.

Student Signature Date

Student Name (Please Print)

Please sign:

I have read and understand the guidelines & requirements for the Summer Research Program _____

MENTOR SECTION:

My signature below indicates that I agree to mentor the above mentioned student for the:

- A. Required Spring Elective (March 27, 2023–June 9, 2023)
- B. 11 weeks of the Summer Research Program (June 12, 2023 - August 25, 2023)

Some of the responsibilities associated with mentoring include establishing a close working relationship with this student, meeting weekly to discuss the project, reviewing the student’s work, including the assignments that are uploaded on the SRP website for validation, and providing constructive criticism to help the student prepare the final paper and his/her oral presentation.

I am encouraged to attend the student’s final presentation on the date to which they are assigned (either August 24th or August 25th).

NOTE: I also agree to contribute \$400 in non-federal funds towards the student’s stipend.
